EDUCATION

Villanova University, Villanova, PA

May 2027

Bachelor of Business Administration, Business Analytics and Management Information Systems

EXPERIENCE

Major League Baseball, New York, NY

May 2026 – Aug 2026

Baseball Operations Intern – On-Field Operations

- Work on projects around MLB rules and regulations. Participated in the On-Field operations department calls 3 times a week to discuss rule changes, track team requests, administer discipline for On-Field violations, and more.
- Competed in MLB mock salary arbitration competition: created slide deck in the style of actual hearings, did player stat comparisons, reviewed precedents, and argued in hearing.
- Built an internal MLB Stuff+ model using the MLB pitch and player tracking data with an interactive app

Villanova University Baseball Scouting and Analytics, Villanova University

Nov 2023-Present

Director of Scouting and Analytics

- Created Shiny apps for both pitching and hitting sides using data from Trackman and Rapsodo. Created scouting reports on opposing players and predicted umpire strike zones pregame based on previous games.
- Built an app to predict matchups against Big East opponents using a model built on how hitters perform against a pitcher's fastball, off-speed, and breaking ball velocities and shape. Helps in the dugout to identify favorable matchups both on offense and pitching.
- Heavily involved with pitching and player development throughout the year.
- Manage a team of fellow Villanova students to help with baseball analytics tasks and scouting reports throughout the year

Seattle Mariners, Seattle, WA

Mar 2025-Nov 2025

Baseball Systems Intern, Operator

- Operate KinaTrax and Hawk-Eye systems to collect advanced tracking data.
- Work on Mariners games, Mariners MiLB affiliates, and other related team activities.

Seattle Mariners, Seattle, WA

May 2021-Aug 2025

Ballpark Operations Crew

- Assist in logistics before, after, and during games as well as lead Event Operations Team Members on game days.
- Help to set up and tear down the ballpark before and after games, concerts, and events held at the ballpark.

LEADERSHIP & ACTIVITIES

Villanova Sports Analytics Club R Mentorship Program, Villanova University

Aug 2024-Present

Program Lead/Teacher

- Lead in Semester-long mentorship program focused on advancing student's skills in R, teaching how to build models, graphs, and present data and actionable insights based on case studies.
- Class is taught to around 50 Villanova students a semester.

Villanova University Sports Analytics Club, Villanova University
President

Aug 2023-Present

- Lead executive board of 8 other Villanova students and oversee the entire 250+ member club.
- Oversee baseball as the lead expert, report updates, and help present what's happening in baseball at weekly club meetings.
- Contribute articles to villanovasportsanalyticsclub.wordpress.com on baseball.
- Attend MIT Sloan Sports Analytics Conference, Boston, MA
- Participated in various hackathons, won the Philadelphia Phillies Hackathon, the Robert Morris University NFL Hackathon, the Syracuse University Hackathon, and was a finalist for the Cincinnati Reds Hackathon and more

SKILLS & CERTIFICATIONS

R (Programming language), Hawk-Eye, KinaTrax, Excel, Microsoft Office, Trackman, Rapsodo, Structured Query Language (SQL), Python, JMP, BigQuery, Synergy Baseball, Blast Motion, 643 Charts, Claude Code
